SOUTHERN STARS 2014
Expression of Interest - UOW

The Stage Management Team carries a huge responsibility in ensuring everything that happens on stage is coordinated and professional. We work together to:

- ensure performers are in the right places for their entrances;
- keep the backstage area quiet;
- keep students well behaved and focused;
- ensure no one enters the backstage area inappropriately;
- keep the arena area clear for performers only;
- make sure props are placed in the right place at the right time;
- assist featured artists;
- ready dancers for their part of the show;
- guide students to their minding area when their time on stage is complete;
- do everything else to ensure the success of the show.

The Stage Management of Southern Stars operates on a team basis. There are a variety of roles that have to be filled in these teams, including Tunnel Control, Performer Collection, Registration, Props and Choir. As you can see lots of help is needed to ensure the show continues to be a resounding success.

During show week the Stage Management Team will be required to attend a team meeting on Tuesday afternoon 26th August and then be available for all rehearsals and performances from Wednesday 27th until Saturday evening 30th August.

If you are interested in being part of the Stage Management Team for Southern Stars 2014 could you please complete the attached Expression of Interest form (2 pages) and return it to Kim McKeen (contact details also attached) by Friday 13th June, 2014.

Please note – involvement in Southern Stars requires a serious commitment from volunteer students. If you are able to be involved for most of the time specified, I am flexible and will encourage you to honour your university and work commitments. I understand that at this time students do not have Semester 2 timetables, which may also affect your level of involvement. I just ask you to volunteer now, and keep me informed.

The New Working With Check requires all who are working with Children to have completed documentation prior to working with Children. This includes members who are retired teachers and those volunteering. Please contact deirdre.backhouse@det.nsw.edu.au or ph 4267 6166 for the package details and to discuss the compulsory requirements.

If you require further information please do not hesitate to contact me on 4422 7045 at school, (m) 0403 85 7766 or by email at gregory.lloyd@det.nsw.edu.au

Yours sincerely,
