**Honours Supervision Allocations
(as at 17 December 2014)**

General Information for students and supervisors

1. Please note that students' nominated supervisor preferences and requests from supervisors (e.g., indications of supervision capacity) have been taken into account in generating the following allocations. Every attempt has been made to spread the supervision load as broadly as possible among available honours supervisors. *No student has been assigned a supervisor who was not on their list of nominated preferences.*
2. *Students have been allocated to primary supervisors and not specific research projects.* Students and supervisors should liaise directly to discuss research topics and determine specific honours projects.
3. *Each student is expected to make initial contact with his/her assigned supervisor no later than early January 2015.* Supervisors' contact details can be found on the 2015 honours topics list (see School of Psychology 4th Year Website) and on the UOW Staff Directory.
